Minor in Film Studies

The Minor in Film Studies is ideal for students interested in learning about both film studies and digital media production. Students have the flexibility to take courses that focus on film aesthetics, history, and critical analysis of representation, and those that involve hands-on creation of moving image digital media. Each student can tailor the balance between film studies courses and digital production courses to their own interests. Requires 21 to 25 units.

Requirements for a minor in Film Studies (21-25 units)

<table>
<thead>
<tr>
<th>Lower-division requirements (3-4)</th>
