

# Bachelor of Arts in Spanish

The B.A. in Spanish coursework includes the following areas: Culture, Linguistics, Peninsular Literature, and Spanish American Literature, some with interdisciplinary approaches. These areas serve students as subject matter preparation for the single-subject teaching credential, bilingual teaching, as well as students with career plans in journalism, advertising, professional writing, law, criminal justice, business, public services, healthcare-related fields, national security, diplomatic services, translation services, publishing, entertainment, and others.
