

Certificate in Accounting

Offered through the College of Extended and Global Education (<https://cel.csusb.edu/>)

This program is for students who plan to pursue a certificate, MSA or CPA but do not have the time or resources to commute to CSUSB. This certificate includes a component to prepare students for the CPA exam.

Certificates may be earned by regularly matriculated or extended learning students and denote successful completion of a prescribed program of study designed to:

1. impart specified professional/vocational/career competencies; or
2. produce mastery of the content of a sub-field of an academic major (discipline); or
3. provide exposure to the range of materials in a traditional or emerging interdisciplinary field.

Certain certificate programs contain 6000-level courses as requirements and/or electives. These 6000-level courses may not be taken by undergraduate students. Candidates must receive two-thirds of their certificate-applicable credit from the university. The transferring of credit or the substitution of courses may occur only after application to the appropriate campus authority.
