Master of Public Administration

The Master of Public Administration (MPA) is a broad program designed to prepare students for careers in public and non-profit service. The degree provides the student with a generalist perspective of public administration, including tools of strategic planning, budgeting, decision-making, human resource management, an understanding of the democratic governance system, and a capacity to work in the public environment.

Admission to the Program

In addition to the general requirements of the university, specific requirements for admission to the MPA degree program are:

1. A bachelor's degree from an accredited college or university;
2. A grade point average of 3.0 or above for the last 60 semester units (or 90 quarter units) of course work including post-baccalaureate courses. Students with a GPA of 2.75-2.99 may be admitted after review of scores from the Graduate Record Examination (GRE).
3. Public Service employment experience. Students without public service employment experience must complete an internship before being advanced to candidacy.
4. Academic motivation and personal qualifications demonstrated through submission of a 500 word statement of purpose for pursuing the MPA at California State University, San Bernardino.

No more than 9 semester units of graduate credit earned in unclassified/conditionally classified standing may be counted toward meeting the requirements for the degree.

1. Completed the Graduate Entrance Writing requirement through passing the writing intensive PA 6110 with at least a “B-” grade.
