

# Bachelor of Arts in Child Development

There are two concentrations within the Child Development B.A.: **Early Childhood Development** and **Child and Adolescent Development**. Students must select one of the concentrations when they declare Child Development as their major. These concentrations conform to the Transfer Model for early childhood education and child development degrees.

## Requirements to enter the B.A. in Child Development

General Education Basic Skills in English (A1)	3
General Education Basic Skills in Mathematics (A3)	3
Additional Requirements	
CD 2240 Introduction to Child Development	3
CD 2210 Introduction to Data Analysis in Child Development	4
<b>Total Units</b>	<b>13</b>

Students may earn no grade lower than a "C" (2.0) in each of these courses. In addition, students must have a GPA of 2.5 in the Pre-child development major and an overall University GPA of 2.25.

The Office of the Registrar will change the student's status once the above requirements have been met.
