Informal Recreation

The hours of the SRWC are designed to meet the demands of the busy lives of our participants with several opportunities from the early opening hours until the late evening. When there is not organized play in the gymnasium or group exercise rooms, drop-in use is allowed. Members can meet up with friends to shoot hoops or practice their hip-hop or martial arts skills. Informal recreation hours will be posted outside of each of the three available rooms.

Climbing Wall

As the centerpiece of the SRWC, a 34’ climbing wall offers opportunities for beginner and intermediate classes, open climbing, and social events. All equipment is provided, and a safety orientation and skills test are offered to participants.

Outdoor Trips

The unique location of the campus within close proximity to the Pacific coastline, the wilderness of Baja, the peaks of the Sierra Nevada Mountains, and the High Desert allows for a wide range of activities. Our programs are designed to help teach people how to appropriately build trust in others, increase individual interpersonal skills, social skills, and physical abilities. The Leadership Challenge Center consists of the 50-foot-high structure, as well as low challenge elements built lower to the ground. The team elements section allows teams of two to eight people to work together and support each other in problem solving, as well as an individual/partner portion that emphasizes support and goal setting. The center's programs provide a safe environment that allows participants to step outside their comfort zone, take a risk, learn, and grow.
